CUSTOM CONTENT

Whether you are promoting an individual, brand, product, or service, the skilled editorial and design teams at *Jetset* can help craft original content that blends seamlessly with the rest of the magazine. The average reader will never perceive this as advertorial, thus increasing your chances of engagement and positive brand awareness amongst our high-net-worth readership.

WHAT'S NEW/TRENDING

Located in the front of the magazine, the TRENDING section, is the often first thing *Jetset* readers turn to in order to learn about the latest places, services, and products that the *Jetset* staff is endorsing. It offers a premium location to subtly promote your products and services alongside some of the biggest names in the luxury world.
